Step 3

Westlaw

Westlaw

The screenshot shows the 'OnePass' logo at the top. Below it, the heading 'First time registration' is displayed. A paragraph of text explains the registration process: 'We ask for your name and email address to authenticate you into Westlaw as an individual user. If you prefer, you can instead enter text, which does not identify you. (see further information here)'. Below this, a smaller line of text states: 'Providing your personal details amounts to consent to our using them as described in our Privacy Statement, which also explains how you can subsequently change your details or replace them'. The form itself consists of three input fields: 'First name', 'Last name', and 'Email'. A pink 'Continue' button is located at the bottom of the form area.

Step 4

Client ID

The screenshot shows a 'Welcome,' message followed by a 'Client ID:' label and a dropdown menu. The dropdown menu is open, showing a list of client IDs. A pink 'Continue' button is positioned below the dropdown. At the bottom of the page, the Thomson Reuters logo is on the left, and the following text is on the right: 'Customer Support: 1-800-WESTLAW (1-800-937-8529) Westlaw © 2023 Thomson Reuters | Privacy Statement | Accessibility'.
